- ✓ **Every Step:** How we progress as one team
- ✓ **Every Effort:** How we work smarter and stay disciplined
- ✓ **Every Goal:** How we aim higher and deliver excellence

Yes, growth expectations are more modest than before, but that only means we need to focus harder, execute better, and think smarter.

Our 2026 priorities are clear:

- **Strengthen margins with the right product mix**
- **Deliver on focus brands and NPIs**
- **Maintain business hygiene and compliance**
- **Keep customers at the center of everything we do**

What will make the difference this year is consistency, integrity, and passion. Every call, every interaction, every decision matters.

Together, we can turn challenges into opportunities and make 2026 a year we'll all be proud of.

Let's Elevate Every Step, Every Effort, Every Goal—and make it count!
