ABM | General Medicine

RAMANATHAN V.

MANAGING DIRECTOR AND GENERAL MANAGER
ABBOTT PRIMARY CARE

Dear Team,

As we welcome 2026, I want to start by saying thank you—your passion and commitment have been the driving force behind everything we've achieved so far.

This year, our theme is Elevate—because success isn't just about moving forward, it's about moving forward with purpose:

- ✓ **Every Step:** How we progress as one team
- ✓ **Every Effort:** How we work smarter and stay disciplined
- ✓ **Every Goal:** How we aim higher and deliver excellence

Yes, growth expectations are more modest than before, but that only means we need to focus harder, execute better, and think smarter.

Our 2026 priorities are clear:

- **Strengthen margins with the right product mix**
- **Deliver on focus brands and NPIs**
- **Maintain business hygiene and compliance**
- **Keep customers at the center of everything we do**

What will make the difference this year is consistency, integrity, and passion. Every call, every interaction, every decision matters.

Together, we can turn challenges into opportunities and make 2026 a year we'll all be proud of.

Let's Elevate Every Step, Every Effort, Every Goal—and make it count!

VIVEK NAIR

COMMERCIAL DIRECTOR
ABBOTT PRIMARY CARE

Dear Colleague,

Welcome to 2026! With Elevate as the mindset for 2026, we move forward to strengthen our fundamentals, drive smarter execution, and create impact in every interaction. This year is about making every step purposeful, every effort count, and every goal a steppingstone to sustainable success.

Key Priorities for 2026

- **Margin Improvement:** Strengthen profitability by optimizing product mix and minimizing claims and discounts.
- **Focus Brand Delivery:** Execute with precision—timely doctor coverage, balanced specialty mix, and strong NPI performance.
- **Business Hygiene:** Keep claims and returns within norms and uphold compliance—integrity is our foundation.
- **Field Excellence:** Meet field working norms, ensure optimal DVL coverage, and maintain accurate reporting.

Continuing Our Core Focus Areas:

- **Build brands & accelerate NPIs**—make them the centerpiece of your calls.
- **Embrace RCPA culture**—understand HCP preferences and use data to sharpen Rx strategy.
- **Execute with discipline**—2-visit frequency, CLM adoption, and RCPA documentation for 2PC doctors.
- **Put customers first**—meet their needs and build lasting loyalty.
- **Stay consistent**—sustained excellence brings bigger rewards.

Together, let's turn priorities into achievements and make 2026 a year of resilience and success.

Here's to Elevating Every Step, Every Effort, Every Goal!
